

Cause and Effect

Look at the first two events. Historians call them causes. Can you fill in the third event? The third event is the effect.

Example:

Archduke shot in Serbia → European armies mobilize → WW 1 Begins

Your turn:

1. USS Maine sinks → US press and government blame Spain →

2. US sugar planters in Hawaii → planters force Hawaiian Queen from office → _____
3. The Philippines wins independence from Spain → US imperialists want to control the Philippines → _____
4. The US wants faster way to ship goods → US supports Panama rebels against Columbia → _____
5. Europeans traded in China → US wanted to trade in China →

6. Women work in factories during WW 1 → Suffragists protest →

7. Prohibition law passed → alcohol illegal → _____
8. Great Migration from South → African Americans move to Harlem →
_____.
9. In the 20's many Americans get good jobs → Americans have higher incomes → _____
10. Henry Ford invents assembly line → mass production of Ford cars →
_____.
