The Middle Passage - Introduction

According to the Introduction, how many centuries did the slave trade last?

What are the estimates of how many people were taken from Africa in the slave trade?

The Triangle trade had three main corners. It began in Europe, picked up slaves in _____, and brought them to the New World.

Where did the Middle Passage begin and end?

At the top of this second card, it tells how long the average voyage took. How long was it?

Why did schools of sharks follow the slave ships?

What did Joseph Cinque do?

Why is the slave trade called a **forced migration**? How was African migration different from other migrations to America by other groups?

Diary entry or illustration

Look at all of the paintings done by Tom Feelings on the website. In the area below write a paragraph diary of a slave's experience during the Middle Passage. Use details from his illustrations **or** make your own sketch of one aspect of this terrible voyage.
