

Notes for Writing Body #3: Community College

Find details to answer the following question: What are the benefits of two-year colleges and what are the requirements and costs of attending a community college?

Use the <http://Californiacolleges.edu> website --> College Planning --> Community Colleges

Explore the link to *Community Colleges*. Take notes on the admissions requirements.

Go to the *Financial Aid Planning* link and type in the question: How much does college cost?

Take notes on the costs of community college. Finally, go the *Explore Schools* link and find one or two community colleges you think might be a good choice for you. Take notes on these schools.
