

Notes for Writing Body #4: Comparing Two Year and Four Year Colleges

Find details to answer the following question: How are the requirements and costs of the four-year colleges different from those of two-year colleges?

Use the <http://Californiacolleges.edu> website --> College Planning --> CSU or UC or Independent Colleges

Explore the links to one of the four year colleges such as the CSU, UC, or Independent Colleges. Take notes on the admissions requirements for one group of these four year schools. Go to the *Financial Aid Planning* link and type in the question: How much does college cost? Take notes on the costs of four year colleges. Take notes on these schools and be sure to write down information that shows how the admission requirements and costs of these colleges are different than for the two year colleges.
