

Notes for Writing Body #6: Living Expenses After High School

Find details to answer the following question: How much does it cost to live after high school, depending upon whether I live at home or on my own?

Use the <http://www.cacareerzone.org/> website --> Making Money Choices

Use the information you have already gathered to make a budget for your life after high school. Will you be living at home, on campus, or with a group of friends in an apartment? Take notes on the *Making Money Choices* activities.
